IN BUDJANG LIYAUN

In budjang liyaun na,

makalu'uy na.

Pagbumaba pa lupa'

Supaya' kabayaan

PRETTY WOMAN FORTY-FOUR

Pretty woman forty-four

you need to show compassion for.

Night and day her heartache grows

while prettying her nails and toes.

Coming down her lonely dorm

conscious of her face and form.

Her single purpose and desire

is to catch a man to light her fire.
